

Guided Worksheets by Laüra Hollick

## Your Top 10 for 2019

Wow! Another year flowing by like a river called to the ocean.

So much happens in a day, let alone a whole year. As 2019 is ending and the sacred portal of 2020 is opening up, give yourself the chance to reflect on your year to gather the gems, receive the lessons, and harvest the gold from 2019.

Allow the following questions to guide you into the deep space within yourself that knows your truth and honors your soul.

What happened in 2019?

What was the biggest challenge you faced in 2019?	
What surprised and delighted you in 2019?	

What was the biggest transformation you experienced in 2019?
What is the most significant thing you learned in 2019?

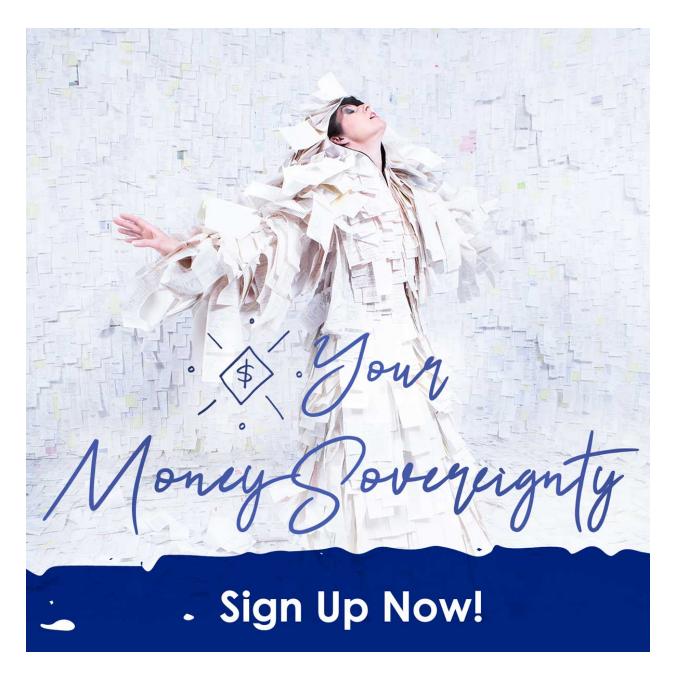

Fill in the circle with the core energy you cultivated in 2019.

What are your Top 10 experiences from 2019?
